

# | Careers & Pathways

***The careers room is well-resourced with brochures and prospectuses for universities and other tertiary training providers, and provides excellent advice on study, training and employment options for students and school leavers.***

Students can attend a variety of seminars both at school and at various institutions. We provide Students with Career Pathway experiences in their chosen job choices, with options for Students to attend off site expos, training, trade days and Tertiary Open Days.

In the senior school, students can request one on-one-time to discuss applications, careers and assistance in developing a curriculum vitae.
