SELF-REVIEW POLICY

Purposes

1. Through self review the school will be enabled to ensure that each broad area of operation meets both the quantitative and qualitative requirements. The programme will demonstrate to the Board that all facets of school operation are carried out effectively and efficiently. It will provide a vehicle to acknowledge those areas well provided for and those areas needing improvement or development.
2. To meet the requirements of the National Administrative Guidelines 2 (ii) – that each school operates a programme of self review.
